HI I'M Hatem Mahmoud Ahmed

web-developer

hello ! i'm hatem mahmoud . Web Developer with over 9years of experience. Experienced with all stages of the development cycle for dynamic web projects using Cakephp and Laravel framework. Open-source web, rapid development framework that makes building web applications simpler, faster and require less code. and It follows the model–view–controller (MVC) . I have a love of write code, and I have lots of experience in the production of PHP , Jquery , NodeJs , CSS and HTML for modern websites.
